WEEK 6 RECAPS

ALL FINAL

pfp 126.14 — deonewalker 84.48

The Commish ran into an act of God. Burrow on bye meant Jameis Winston (**6.48**), the Bills D/ST put up a **0**, and Bijan managed 7.3. Yes, 37.20 sat on the bench (Loveland 18.5, Egbuka 17.8, Harvey 14.6), but his **best lineup, 121.68, still loses**. Not his fault. Officially. Vincent started Pitts this time (**23.0**) and left Tre Tucker's 26.7 on the bench anyway.

Rashee Rice's Felons 133.88 — The Triple Doubles 63.26

The Lock of the Week, locked by **70.62**. CMC 30.7, Likely 23.9, and Dennis still benched Tyler Shough's **26.96** for Mahomes (10.48). Eddie's **63.26 is the lowest score of the season**: Chase and Goff on bye, Deshaun Watson at QB (9.46), Rams D 2 with the Ravens' 10 on the bench. He did start the right kicker. Progress.

Ceedeeznuts 119.04 — Gavmoney 98.70

Upset Alert cashed. The team with no CeeDee beat the team with the real one (Lamb 16.0). JSN 25.4, Tuten 24.7, and Sam still left **Bernard's 25.7** on her bench. Gavin's starters went **34.3 under projection**, the worst in the league: Henry 5.0, Kyren 9.7, D/ST −2. The Commish's second team is 4-2.

urple goblin 99.60 — Dart Vader 94.62

Lucas flexed Juwan Johnson for a clean **0.0** (he played, two targets) and won anyway. Logan started Dak (11.02) over **Cousins (18.52)** and MarShawn Lloyd (1.0) over Kendre Miller (9.0). Best lineup: 110.12. That's his **fourth self-inflicted loss**. Brandon Aubrey: 1 point. Still no Jaxson Dart at Dart Vader.

ICBM 111.64 — Dream Two Man 86.10

Trevor Lawrence **27.34**, Cook 24.3, DeVonta 20.5. Julian benched Pop Douglas (19.6) and Diggs (16.4) and won by 25.5 anyway. Theo correctly benched Amon-Ra on bye, then got **0.0 from Skattebo** and left Travis Hunter's 15.9 on the bench. Josh Allen's 18.3: the paper blames the wind and his offensive line, in that order.

Yellow Fever 108.50 — Matt likes slug stuff 88.06

Jerry, three straight wins. With Lamar out, Penix threw for **23.1** and Swift added 23.0, while Keenan Allen (16.2) and Shakir (13.4) sat. Commish import McLaurin: 3.7 in his debut. Justin picked Purdy over Caleb correctly (by 0.86) and left only 4.00 on his bench. Jefferson on bye, Hurts out: his best lineup was 92.06.

Jerry and Justin run infirmaries. *Not really independent. The Commish owns this paper.
