WEEK 5 RECAPS

ALL FINAL

deonewalker 134.20 — Rashee Rice's Felons 133.18

The Commish wins by **1.02** and would like to thank DK Metcalf. Dennis flexed the Commish's old WR (**5.3**) with Isaiah Likely's **32.4** on his bench, and started the Raiders D/ST (−6) that Logan dumped last week. His best lineup, 168.18, beats every real score this week. Nabers 29.1, Burrow 24.6. Yes, Egbuka's 17.2 sat behind Doubs' 2.6. Champions find a way.

The Triple Doubles 159.34 — ICBM 114.14

Eddie's debut: the **week's high score**, and the Upset Alert cashes by 45.2. Jaylen Warren 36.8, Bucky Irving 31.5, Goff 28.94, Tyler Warren 21.4. He also started Mevis (**2**) over Bates (**10**). The kicker curse came with the franchise. Julian got 1.4 from Fannin at TE and has now given up **720.06**.

urple goblin 146.26 — Gavmoney 131.96

Drake Maye **39.46**, Gibbs **37.7**. Lucas started waiver add Roman Wilson (0.0) and won by 14 anyway. Gavin left **Christian Watson's 32.3** and Jameson Williams' 18.7 on the bench, started CeeDee (2.9) and Cairo Santos (0.0). Best lineup: 169.26. Second straight self-inflicted loss.

Yellow Fever 110.40 — Dream Two Man 109.60

The Lock of the Week, unlocked by **0.80**. Josh Allen did his part: **30.5** on a 19.9 projection. Theo had Brenton Strange's **13.8** on the bench while Odunze (5.0) and Love (2.2) started. Best lineup: 122.0. Jerry got Nacua's 37.7, flexed Deebo (2.5) over Shakir (11.0, bench) and won anyway. Peak Jerry.

Matt likes slug stuff 116.16 — Ceedeeznuts 97.20

Justin left just **0.7** on his bench, picked Purdy over Hurts correctly for the second week running, and kicker Jason Myers scored **23**. Sam benched Freiermuth (21.5) and Dobbins (15.4), flexed Waddle (4.8). Best lineup 120.02 wins. The Commish's second team was busy unpacking its new players.

Dart Vader 106.34 — pfp 98.72

Mike Evans 26.3, Garrett Wilson 23.4, and Logan's only miss was Dak (12.64) over Cousins (13.72). Vincent started Gesicki (7.4) over **Kyle Pitts (15.2)**: that swap alone wins by 0.18. London 18.8, Stafford 27.32, Cowboys D/ST −2. Still no Jaxson Dart at Dart Vader.

PREDICTION REPORT CARD

2-4 ON PICKS

✓ **Commish over Felons.** Projected margin 3.52, actual 1.02. The Commish's office calls this "precise."

✓ **Dart Vader over pfp,** by 7.62.

× **Gavmoney** (lost by 14.30), × **Ceedeeznuts** (by 18.96), × **ICBM** (by 45.20). We told Gavin to start his best players. He didn't.

Upset Alert: ✓ Triple Doubles, and it wasn't close.

Lock of the Week: × by 0.80. We said it'd be the weather. It was Brenton Strange on Theo's bench.

Josh Allen calls: perfect. "ESPN is lowballing him at 19.9." He scored 30.5.

AWARDS

WEEK 5

PLAYER OF THE WEEK — **Drake Maye, 39.46** (urple goblin), on an 18.47 projection. Honorable mentions: Nacua and Gibbs (37.7 each), and Josh Allen (30.5), simply being Josh Allen.

BENCH BLUNDER — **Dennis.** Likely 32.4 and Corum 16.2 on the bench, Metcalf 5.3 and Shipley 8.3 starting. **35.0** pts left. Lost by 1.02.

HEART-BREAKER — **Theo, by 0.80.** His three losses are by 0.96, 2.44 and 0.80: **4.20 pts total** from 5-0.

HOT POTATO — **Logan** cut the Raiders D/ST. Dennis grabbed it and started it: **−6**, in a 1.02 loss. Logan's Giants D: 4. Revenge served.

BENCH MOB — **Gavin, again.** 37.3 on the bench this week, 43.4 last week. **80.7** in two weeks, two losses he'd have won.

INHERITED CURSE — **Eddie** took over Nolan's team and started the wrong kicker in Week 1 of his reign. Mevis 2, Bates 10. Coin flip: 1-for-5 all-time.

NAME FRAUD — The real CeeDee is on **Gavmoney** and scored 2.9. Ceedeeznuts dodged one. Rice was on bye on Eddie's bench. Dart: still not at Dart Vader.

LINEUP SAVANT — **Justin** left 0.7 on his bench. Logan 1.08. Everyone else: at least 5.3.

TRADE REPORT

1 DEAL, WEEK 1 RESULTS

BTJ + Dobbins → Ceedeeznuts · RJ Harvey → Commish

Week 1 of the deal: Harvey 0.7, Dobbins 15.4, BTJ 0.0. **All three on benches.** Sam's side +14.7, and she didn't use any of it.

VERDICT: COMMISH Both rosters are his, so he wins twice. Harvey's a buy-low.

Metcalf + Hubbard → Felons · Egbuka + Price → Commish

Week 5: Metcalf 5.3 (started), Hubbard on bye vs. Egbuka 17.2 (bench), Price on IR. Three-week total: **Dennis 74.8, Commish 32.9**. But Metcalf's start cost Dennis the head-to-head by 1.02.

VERDICT: COMMISH (LONG-TERM) Now with a W to show for it.

London → pfp · Deebo + Shakir → Yellow Fever

Week 5: London 18.8 vs. Deebo 2.5 + Shakir 11.0 (bench). Three-week total: **London 61.8, Deebo + Shakir 61.7**.

VERDICT: PUSH Decided by a tenth. Both teams won, too.

WAIVER WIRE

Brissett 25.28 for Dennis. We graded it an A. We were right about something.

Joe Mixon stash, Week 2: 0.0, still no NFL team. Visionary.

ICBM	−0.82	−3.9	−8.8
Triple Doubles	−1.27	−7.7	−6.2

Schedule: actual wins minus expected wins vs. all 11 teams each week. **Performance:** starters' points vs. ESPN projections. **Injuries:** est. pts/wk lost to sidelined regulars, valued at ESPN's current per-game projection (byes, backup QBs and guys rostered while hurt don't count). **Verdict:** The Commish tops the schedule column, which is obviously skill. Jerry's roster is a MASH unit. *Not really independent. The Commish owns this paper.
