

"The Commish traded with the Commish's second team. The league office has reviewed it and sees no issues."

WEEK 5 MATCHUPS

PROJECTED

urple goblin 126.34 Gavmoney 129.41

PICK: GAVMONEY. Game of the week: the top two in points, 1.2 PF apart, both 3-1. Gibbs is projected for a league-high 27.0, but Gavin's lineup is deeper (Daniels 20.5, Jones 17.8, Kyren 17.8) and CeeDee (19.2) gets the first word on Thursday. Gavin by 3. Leave Kyren in the lineup this time.

deonewalker 125.46 Rashee Rice's Felons 121.94

PICK: THE COMMISH. The trade-partner rematch. Dennis gets no Hubbard or Mahomes (both on bye) and has to start Jacoby Brissett, fresh off waivers. The Commish has Bijan (22.2), Burrow (20.1) and a lineup the Lineup Police couldn't find anything wrong with. Projected margin 3.52. Trust the process.

Ceedeeznuts 121.69 Matt likes slug stuff 110.83

PICK: CEEDEEZNUTS. JSN 20.5 and McBride 18.7 lead the Commish's second team. Sam just got Dobbins and BTJ from the Commish, and both are on her bench. Justin is starting Purdy (17.9) over Hurts (16.1), with Jefferson (Q) and the Seahawks D/ST (3.9). The carousel keeps spinning. Sam by 11.

Dart Vader 113.33 pfp 106.65

PICK: DART VADER. Logan has had the points all year (495.6 PF, 1-3), and he's up against a pfp team missing McMillan and Bryce Young to byes, with Barkley (Q) benched. Dak and Aubrey go Thursday. Starting the Giants D/ST (3.8) is the only thing that could make this close.

ICBM 120.77 The Triple Doubles 117.38

PICK: ICBM, BARELY. Julian has the most points against (560.7) and starts Cook, Chase Brown and Davante Adams. Eddie took over Nolan's 0-4 team and renamed it The Triple Doubles. Welcome, Eddie. Chase (21.8, Q) and Goff (19.4) keep it within 3.39. See Upset Alert.

Dream Two Man 117.18 Yellow Fever 101.25

PICK: DREAM TWO MAN. Josh Allen (19.9, which is ESPN lowballing him) and Amon-Ra (20.0), the two men the team is named after. Jerry is starting Breece Hall: DOUBTFUL, projected 0.0, with Deebo (11.1) and Shakir (9.5) on his bench. Theo by 16. Lock of the Week.

UPSET ALERT: The Triple Doubles over ICBM. Down 3.39 on paper, and Stevenson (13.3) is sitting on the bench behind Hampton's 11.6. Nolan lost three of four by a kicker or less; Eddie isn't carrying that curse. New owner, new name, first win. Probably.

LOCK OF THE WEEK: Dream Two Man over Yellow Fever. A 15.93-pt projected gap, a starter projected for zero on the other side, and Josh Allen. If this goes wrong it'll be the weather.

PROJECTION BOARD

WEEK 5 STARTERS

#	TEAM	PROJ.	OPP.
1	Gavmoney	129.41	goblin
2	urple goblin	126.34	Gav
3	deonewalker	125.46	Felons
4	Felons	121.94	Commish
5	Ceedeeznuts	121.69	slug
6	ICBM	120.77	Triple D
7	The Triple Doubles	117.38	ICBM
8	Dream Two Man	117.18	Yellow
9	Dart Vader	113.33	pfp
10	Matt likes slug stuff	110.83	Sam
11	pfp	106.65	Vader
12	Yellow Fever	101.25	Theo

Sum of each team's current starters' ESPN Week 5 projections, Thursday morning. Will change as lineups do. The Triple Doubles are projected 7th of 12 and 0-4: the projections were wrong about Nolan all year, in the bad direction. Eddie's turn.

WAIVER WIRE REPORT SINCE TUESDAY

BEST PICKUP

A Dennis: Jacoby Brissett (drop Emmett Johnson). Mahomes is on bye, Brissett is projected 18.8. A Week 5 rental and a good one.

WORST DROP

F Jerry: cut the Bills D/ST for the Bengals D/ST. Bengals 6.8 vs. Bills 3.3 projected. Correct on paper, but you don't drop anything Josh Allen-adjacent in this league.

PANIC MOVE

D Dennis: the reunion tour. Re-added Antonio Williams (6.0) and cut Woody Marks, eight days after cutting Williams to add Marks. One of four Dennis moves, with Brissett, Shipley for Darren Waller (proj. 0) and Raiders D/ST for Packers D/ST at 2 a.m.

D/ST HOT POTATO

D Logan dropped the Raiders D/ST (4.9) for the Giants D/ST (3.8). Dennis picked up the Raiders a day later and is starting them. Logan's new D is the lowest-projected starting D/ST in the league.

STREAMERS

B+ Gavin: Jaguars D/ST (7.2) for Bears, Cairo Santos for McLaughlin. B Julian: Commanders D/ST (7.3) for the Chiefs (bye) and Keon Coleman for Bateman. A Bills WR. Approved. C Vincent: Cowboys D/ST (7.4) for the Browns; the Cowboys have 1.0 pts all season.

STARTERS OFF THE WIRE

B Eddie: Darius Cooper (9.2), starting in his debut week. B Lucas: Roman Wilson (9.2), starting; cut Tyjae Spears. B- Justin: Rashid Shaheed (9.5) for Mack Hollins (Q, proj. 0) this morning, and cut Calvin Ridley. C Vincent: Mike Gesicki (6.6), starting him over Kyle Pitts (7.1).

COMMISH

A+ Dohnte Meyers (6.7) for Oronde Gadsden. Visionary. Grade set by the Commish's office.

TRADE REPORT

1 NEW DEAL

BTJ + J.K. Dobbins → Ceedeeznuts · RJ Harvey → Commish

Proposed Wed at 3:59 a.m., accepted at 4:00 a.m. Sam cut Tyler Allgeier to fit the 2-for-1. Season to date: Harvey 38.1, BTJ 25.5 + Dobbins 20.7 = 46.2. This week: Harvey 11.3 vs. 7.6 + 10.6, and all three of them are on benches. A Tuesday version had Egbuka in BTJ's spot.

VERDICT: COMMISH He consolidates two bench guys into a starting-caliber RB. Since it's his second team, he also wins the other side.

Also: Meyers + E. Wilson → Ceedeeznuts for Tuten Julian offered it Tuesday, then canceled. Everyone wants a piece of Sam's roster. The Commish got there first.

LINEUP POLICE

FIX IT BEFORE KICKOFF

As of Thursday morning. Lineups lock per game, so there's still time. Nobody is starting a bye-week player. Progress.

WANTED

Jerry: Breece Hall at RB, DOUBTFUL, projected 0.0. Move Pollard to RB and put Deebo (11.1) at flex. That's +11.1, and still 4.8 short of Theo.

WRONG RB

Eddie: Stevenson (13.3, Q) on the bench, Hampton (11.6) at flex. +1.7. Also the kicker coin flip: Mevis (9.4) over Bates (9.1). Bates scored 18 last week. The kicker curse may have come with the roster.

NEW-GUY BENCH

Sam: Dobbins (10.6), acquired this morning, sits behind Croskey-Merritt (9.0, Q). +1.7. Probably not reading this. Commish, can you text her?

REPEAT OFFENDER

Logan: DJ Moore (12.6, Q) on the bench behind Malik Washington (11.1), and Kincaid (8.8) is starting over Sadiq (9.5) again. Kincaid scored 1.7 last week.

MISDE-MEANORS

Vincent: Gesicki 6.6 over Pitts 7.1. Lucas: Roman Wilson 9.2 over Wicks 10.1. Small stuff, still counts.

CLEAN

Commish, Dennis, Gavin, Julian, Justin, Theo. Theo benched Pittman (8.4, Q) again.

THURSDAY NIGHT

TB @ DAL

CeeDee Lamb 19.2 for Gavin. Ceedeeznuts still has no CeeDee.

Dak 17.8 + Aubrey 10.8 for Logan. No Jaxson Dart at Dart Vader either.

Javonte 17.5 (Lucas), Bucky Irving 15.2 (Eddie), Cowboys D/ST 7.4 (Vincent).

On benches: Pickens (Gavin), Egbuka (Commish), Gainwell (Theo).

STORYLINES WE'RE WATCHING

- Trade Rematch: Commish vs. Dennis. Hubbard's on bye, Metcalf (12.0) is on Dennis's bench, Egbuka's on the Commish's.
- London Regret Meter (Jerry +5.2): London 16.0 projected, and Deebo and Shakir are both on Jerry's bench.
- Pittman Watch: benched 2 weeks running. Theo 1-0 since.
- Kicker Coin Flip: Nolan went 1-for-4. Eddie's first call: Mevis.
- Name imposters: no Rice at the Felons; he's on bye on Eddie's bench.
- Picks record: 0-0. Tuesday's recap grades these.
