WEEK 6 MATCHUPS

PROJECTED

deonewalker 116.42 — pfp 114.39

PICK: THE COMMISH. Up 2.03 on paper while starting **no D/ST at all** (Vikings on bye). He's spotting Vincent a defense out of sportsmanship. Pollard (14.1) and Boston (12.1, Q) debut, Bijan goes for 23.1 and Winston (17.7) fills in for Burrow's bye. Vincent starts Bryce Young (18.3) over Stafford (19.7) and the Corum (9.0) he just got from Dennis.

Ceedeeznuts 117.48 — Gavmoney 135.50

PICK: CEEDEEZNUTS. The real CeeDee (18.6) plays for Gavin, along with Kyren (20.9), Henry (20.6) and Daniels (19.9). Sam has JSN (18.9), McBride (17.1) and new QB Jordan Love (20.9). Down 18.02, but it's the Commish's second team and Gavin has benched 80.7 pts the last two weeks. See Upset Alert.

Rashee Rice's Felons 138.41 — The Triple Doubles 98.72

PICK: FELONS. Dennis has the week's top projection: CMC 22.2, Bowers 19.6 (Q), Mahomes 18.8. Eddie has Chase and Goff on bye, his kicker on bye and Darius Cooper (1.6) at WR. The Felons still don't have Rashee Rice. Eddie does, and he's Questionable. Lock of the Week.

ICBM 120.68 — Dream Two Man 101.48

PICK: ICBM. Josh Allen is projected for **25.1**, the most of anyone in the league, and he'll clear it. The other man in Dream Two Man, Amon-Ra, is starting at flex on a Detroit bye. Swap in Strange (9.8) and it's 111.23 to 120.68. Julian has given up 720.06 pts. He's due. Allen could still cover it alone.

Yellow Fever 119.83 — Matt likes slug stuff 96.21

PICK: YELLOW FEVER. Justin has the league's lowest projection and three QBs again: Purdy (21.4) starts, Hurts (17.8) and Caleb (16.8) sit. Jerry starts the Commish's old McLaurin (12.3), Braelon Allen (14.4) and Vele (11.2) in their first week, plus Puka (22.8). Jerry by 23.6.

Dart Vader 127.92 — urple goblin 111.13

PICK: DART VADER. Lucas is 4-1 with the league's best PF (684.8), but Gibbs and Higgins are on bye and A.J. Brown is on IR. Logan has Walker (22.7), Taylor (18.9) and Evans (17.2). Still no Jaxson Dart at Dart Vader. Nobody in the league has him now. Logan by 16.8.

UPSET ALERT: Ceedeeznuts over Gavmoney. 18.02 down on paper. Gavin left 37.3 on his bench last week and 43.4 the week before. The Commish's office believes. Also, Sam: Dobbins plays tonight. Start him.

LOCK OF THE WEEK: Felons over Triple Doubles. A 39.69-pt projected gap and a kicker who isn't playing on the other side. Last week's Lock lost by 0.80, which was the weather.

WORST DROP — F **Jerry: cut Kalif Raymond** (52.4 pts, 10.5/gm) for Woody Marks (43.3, 8.7). Also McPherson (bye) for Zvada (10.9), which is fine. He also took on three of the Commish's players. See Trade Report.

TRADE REPORT

2 NEW DEALS

Boston + Pollard → Commish · McLaurin + B. Allen + Vele → Yellow Fever

Jerry proposed it Tuesday at 9:23 p.m., the Commish accepted at 9:27. Jerry cut Keaton Mitchell to make room. Season to date: Commish gets **112.7** (Boston 69.0, Pollard 43.7), Jerry gets **149.0** (Vele 62.2, Allen 44.5, McLaurin 42.3). Week 6 projections: 26.2 vs. 37.9.

VERDICT: COMMISH Two-for-three consolidation, Boston (13.8/gm) is the best player in the deal, and the open spot became Boswell. Jerry loves a multi-player package. Ask Vincent about London.

Blake Corum → pfp · Mike Washington Jr. → Felons

Accepted Tuesday at 9:20 p.m., seven minutes before the other one. Corum: 38.4 pts (7.7/gm). Washington: 20.9 (4.2/gm). Corum starts for Vincent this week; Washington is on Dennis's bench.

VERDICT: VINCENT Almost double the production for a bench RB. Dennis's trade history: Metcalf, now this.

Also pending: two more Commish offers to Justin Collins for Jeanty, and Egbuka for LaPorta (who's on bye). That's 22 offers this season, 3 accepted.

LINEUP POLICE

FIX IT BEFORE KICKOFF

As of Thursday morning. Lineups lock per game, so there's still time. TNF kicks at 7:15 p.m. CT.

WANTED — **Theo: Amon-Ra St. Brown** at flex, Detroit bye, projected **0.0**. The man the team is named after. Brenton Strange (9.8) is on the bench. +9.75.

KICKER CURSE — **Eddie: Jake Bates**, Detroit bye, 0.0. The backup, Mevis, isn't on an NFL roster. Both sides of the coin flip are blank. Grab a kicker off waivers.

TONIGHT — **Sam: Dobbins** (10.1) plays TNF from the bench while Croskey-Merritt (6.9) starts. +3.1, and it has to happen before 7:15. Commish, text her.

EMPTY SLOT — **The Commish:** no D/ST in the lineup (Vikings on bye), and Loveland (8.5) is on the bench behind Higbee (7.3). The office is aware. It's a strategy.

QB MIXUPS — **Vincent**: Stafford 19.7 on the bench, Bryce Young 18.3 starts (+1.4). **Logan**: Cousins 18.3 on the bench, Dak 17.1 starts (+1.2).

CHECK SUNDAY — Questionable starters: Boston, Rice, Bowers, Olave, Lamar, Kamara, Dowdle, Barkley, DeVonta Smith, Judkins, Monangai, Jeremiyah Love.

CLEAN — Gavin, Julian, Jerry, Justin, Lucas, Dennis. **Pittman** is on IR now, so Theo couldn't start him if he tried.
